Linden Shaker

Impeccably balanced, sleek cabinets with a modern, minimalist look.

Box construction: 1/2" furniture grade plywood box, 5/8" solid wood dovetail drawer box, 3/4" furniture grade plywood adjustable shelves, 3/4" solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4" solid wood with 1/2" MDF center panel.

Armada

A sleek and low-profile design built to endure for generations to come.

Armada,
Blanco

Box construction: 1/2" furniture grade plywood box, 5/8" solid wood dovetail drawer box, 3/4" furniture grade plywood adjustable shelves, 3/4" solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4" solid wood with raised MDF center panel.

Aurelia

The perfect balance of traditional and modern, enhanced by carefully executed step-down details.

Aurelia,
Ashen

Box construction: 1/2″ furniture grade plywood box, 5/8″ solid wood dovetail drawer box, 3/4″ furniture grade plywood adjustable shelves, 3/4″ solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door construction**: 5-piece construction, 3/4″ solid wood with raised MDF center panel. **Top drawer**: 3/4″ solid wood slab drawer. **Lower drawers**: 3/4″ solid wood with raised MDF center panel.

Alderton

A classic design embraces layering and attention to detail and offers historical charm.

Alderton,
Oatmeal

Box construction: 1/2" furniture grade plywood box, 5/8" solid wood dovetail drawer box, 3/4" furniture grade plywood adjustable shelves, 3/4" solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4" solid wood with raised MDF center panel.

Echelon

A timeless design seamlessly blends classic elegance with a modern finish.

Echelon,
Cemento

Box construction: 1/2″ furniture grade plywood box, 5/8″ solid wood dovetail drawer box, 3/4″ furniture grade plywood adjustable shelves, 3/4″ solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4″ solid wood with 1/2″ veneered furniture grade plywood center panel.

Nautica

A sophisticated design that effortlessly combines coastal elegance and relaxed luxury.

Nautica,
Millstone

Box construction: 1/2" furniture grade plywood box, 5/8" solid wood dovetail drawer box, 3/4" furniture grade plywood adjustable shelves, 3/4" solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4" solid wood with 1/2" veneered furniture grade plywood center panel.

Pacifica

Contemporary, meticulously crafted cabinets embodying the essence of the Pacific Northwest.

Pacifica,
Chestnut

Box construction: 1/2″ furniture grade plywood box, 5/8″ solid wood dovetail drawer box, 3/4″ furniture grade plywood adjustable shelves, 3/4″ solid wood face frame, 6-way adjustable hinges, full-extension drawer slides. **Door and drawer front construction**: 5-piece construction, 3/4″ solid wood with 1/2″ veneered furniture grade plywood center panel.

ORDERING POLICIES & WARRANTY

ORDERING & RETURN POLICIES

New Orders

All orders must be placed via email, in person, or through a Trulife Cabinetry distribution center. We do not accept verbal orders over the phone or via text. Each client must review and sign off on all requested documents to confirm that the order information is accurate. Once signed, Trulife Cabinetry is not responsible for any client-side errors or changes. It is the client's responsibility to review and confirm all details before finalizing the order.

Order Changes & Cancellations

Once an order has been processed, changes or cancellations are not permitted without potential fees. We strongly encourage all clients to carefully review and confirm all specifications, measurements, and order details before submitting their final approval. Any changes or cancellations requested after processing may incur additional charges, which will be the sole responsibility of the client.

Product Delivery

Trulife Cabinetry provides delivery within a scheduled time frame, which will be communicated in advance. A legal representative must be present at the time of delivery. Any missing items or visible damage must be reported immediately upon delivery and documented accordingly. For concealed damages, clients must report issues within 14 days of delivery and provide photographic evidence when submitting a claim.

If a delivery is voluntarily delayed or rescheduled by the client, a storage fee of $35.00 per day will apply. Orders will not be released until all applicable storage fees have been paid in full.

Return & Exchange Policy

Returns and exchanges are not accepted for any products that have been assembled, installed, modified, or damaged after delivery. Only ready-to-assemble (RTA) cabinets are eligible for return or exchange, and only under specific conditions.

- All returns and exchanges must be pre-approved by our team. To initiate a request, please contact us at info@trulifecabinetry.com with your order details and reason for return or exchange. Unauthorized returns will not be accepted. Items must be in new, unused condition and returned in their original, unopened packaging. Products received in "open box" condition or determined to be used will not qualify for return, credit, or exchange.
- Requests for returns or exchanges must be submitted within 14 days of the delivery date. Requests made after this period will not be eligible.
- All approved returns are subject to a 20% restocking fee. Depending on the condition of the returned item, customers may receive either a refund (less applicable fees) or store credit, at Trulife Cabinetry's discretion.
- For exchanges, the replacement item must be of equal or greater value. Any price difference must be paid in full before the exchange is processed. All shipping or transportation costs related to returns or exchanges are the responsibility of the customer.

If you have any questions or require further assistance, please don't hesitate to contact our customer support team. We are here to help ensure a smooth and satisfactory experience.

WARRANTY & DISCLAIMER

Trulife Cabinetry LLC (hereinafter referred to as “Trulife”) provides each Purchaser with a 5-Year Limited Warranty that covers any product manufactured by Trulife and sold in the United States, as detailed in the Certificate of Warranty, at the time when the Purchaser enters into a contract with Trulife. We expressly waive and limit all implied warranties of fitness, habitability, and workmanship under state law, as well as any implied warranties of maintainability or fitness for a specific purpose or use, to the duration of the express warranty. Trulife explicitly disclaims and excludes any liability for consequential damages and/or other types of losses that may arise from or be associated with the residential use of the purchased products. This limited warranty applies exclusively to the Purchaser and will expire upon the conclusion of the specified period indicated in the Certificate of Warranty. It is applicable solely to residential purchasers for their own homes, or to developers, general contractors, sub-contractors, or builders acquiring Trulife products for installation in dwelling units.

Our limited warranty covers the following components: Cabinet Doors, Cabinet Shelves, Cabinet Boxes, Cabinet Accessories, Drawer Glides, Shelving Clips, Drawer Fronts, Door Fronts, Door Frames, Roll Out Trays, and Base End Panels. Trumade reserves the right to repair, replace, or make changes to any defective products. However, this limited warranty does not extend to natural color variations in materials, damages incurred during transit or installation, or products that have been altered, neglected, or used for purposes other than their intended function. Purchasers are responsible for all labor costs associated with the transportation or installation of any repaired or replaced items under this warranty. Trulife shall not be held liable for acts of God or any damage resulting from exposure to temperatures below 50°F or above 85°F.

Purchasers acknowledge that doors warped up to ¼ inch, panels and moldings warped up to 2 inches, joint splits on painted wood cabinets, hardware failures, or shrinkage of center panels less than 1/8 inch are not considered defects. Wood naturally expands and contracts, primarily across the grain in response to changes in humidity. Wood may return to its original form after acclimating to the environment. Therefore, Purchasers are advised to wait for a minimum of three (3) months before officially filing a warranty claim. Trulife shall not be held responsible for improper installation or adjustment. We urge you to review our installation and adjustment instructions thoroughly.

Purchasers are further advised that color variances in stained cabinets and uneven surfaces for glazed finishes are common occurrences and are not considered defects. Replacement items may differ in color from the originals supplied. If you have any additional questions or concerns regarding the 5-Year Limited Warranty, please feel free to contact us at info@trumadecabinetry.com.

**Trulife reserves the right to modify or update this warranty at any time without prior notice.
